Thanks for the heads up Brian. Please add Jeff Collins (cc'd above) to your distribution list.

With the YPT and WRPT council meetings coming up on March 8 and 9, NDEP and EPA will be circulating some updated talking points this week to make sure the three agencies are in synch going into those meetings.

NDEP and EPA also have a tentative plan for meeting on Wednesday March 8 in Yerington prior to the YPT meeting and BLM is welcome to join.

Here is who will be attending the meetings next week for NDEP:

On March 8 with YPT:

Jim Lawrence, Deputy Director, Department of Conservation and Natural Resources

Jeff Collins, Chief, NDEP Bureau of Corrective Actions

On March 9 with WRPT:

Jim and Jeff and me

Additionally, as soon as Gov letter responding to YPT letter is sent (expected this week), I plan to reach out to Peggy Pauly and have an initial conversation. I have still not received a return phone call from my voice messages left on Feb 10 with Chairman Thom and Chairman Torres.

Subject: Three-Agency Call Thursday March 2

All, I am cancelling this week's call due to a number of us in BLM (Brian, Ralph, Dave) being unavailable to lead the call.

If EPA and NDEP and/or Nathalie desire to go ahead with the call at its scheduled time to coordinate on anything that is fine. Someone please take notes.

We will pick it up again next week.

Thanks.
